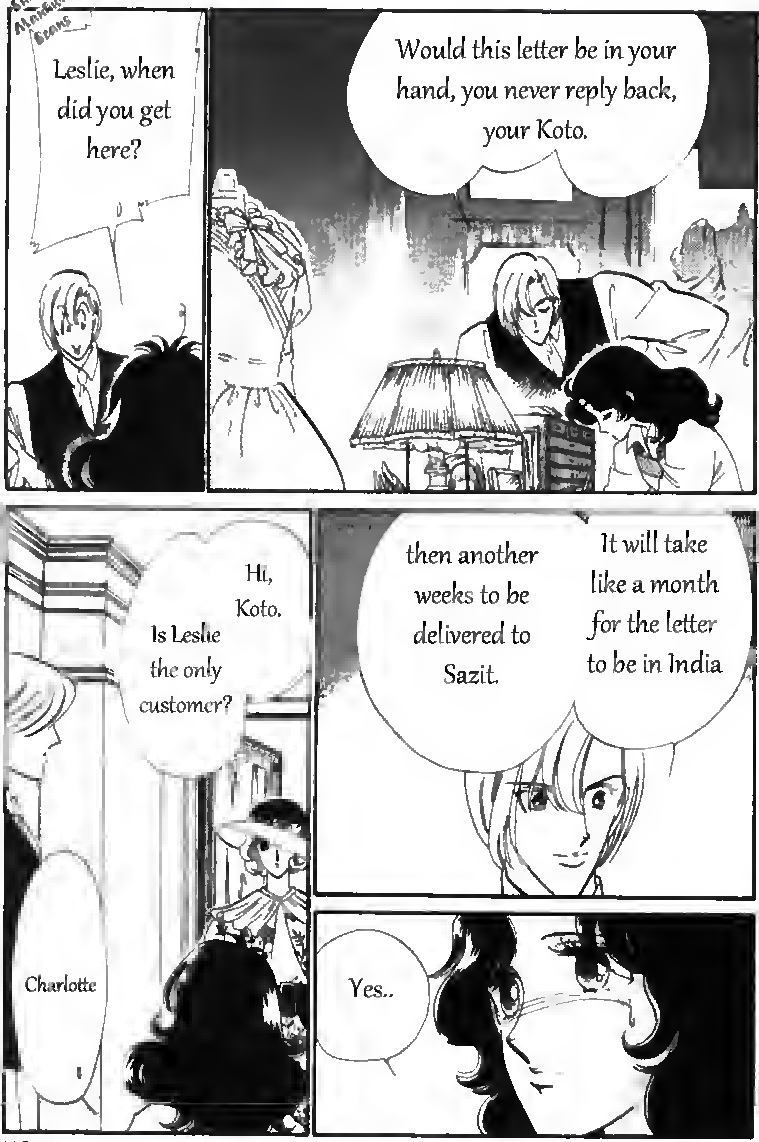
PART THREE :
1937 LULLABY

Dear Sazit!
Are you doing well? This is the fifth letter I've sent since you left.
It's been more than a month with out you in Shanghai
I'm listening to Marlene Ditrich right now
It's a very nice song, but it makes the mood kind of sad

THE TAILOR STORE
There're two doors by the way
I really hope you can come back soon to see it
I miss you everyday, but I promise that I won't cry! I've also asked Leslie to help me open a clothes shop
MISS KOTO
So please do not. do anything dangerous. I also really miss your smile



Leslie, when did you get here?
Would this letter be in your hand, you never reply back, your Koto.
Hi, Koto.
Is Leslie the only customer?
Charlotte
then another weeks to be delivered to Sazit.
It will take like a month for the letter to be in India
Yes..

You didn't open a mending shop
Well there was a Chinese woman who came in and asked me to fix her dress. I also fixed two skirts and one uniform for some students.
If this keeps going on the will be close soon.
Shanghai isn't like Tokyo, it's a city of fashion no lesser than New York or Paris.
Gunzi did tell me that this is a big city
You're very childish.
Plus I also see that...

That will make you look 25! Understand?
Think of a way..
With this age and your appearance we need to do makeover
How old are you?
17...
I'll send invitations to important guest and then I'll introduce them to you. Bring some dresses to show them, remember.
Next week I'll open a part at my house.
Looks like she and her husband get along very well.
He's 60?
That person is already 60?
Huh?

My shop will gain more fame now.

I also wanted to do something and open the party as my role of a customer.

Thanks from the author (2)
I wanted to write more about India, but to tell the truth this is a really hard topic. I myself don't really have confidence in writing about it.

After "The White Valse" I've received many encouragements from fans so, I've tried my best to continue writing. I've been scared little about it at first but because of you fans out their now I have more confidence. Please keep supporting and me bring me courage, thank you all.

Ha Ha
Ha Ha!
Letter?
Give me!
Leslie stop
bullying
me!
Ahh
...
I'm
sorry

Brother Ryuich,
why are you here?
Who's this guy?
This isn't true right Koto?
You haven't even been here for a year yet.....

Sad's Manhua Scans
You even dress like that and play around with another man...
You ran away from Masaomi to be with him?
How's Sazit?
I can't believe you!!
Bye
Wait, Ryuichi!
I'm sorry. I've said too much.

Bhaiya Amakha Bhang
I rushed...I didn't even try to listen to you.
No, that's a easy made mistake
So... Sazit left to go to India...
After that incident how's he now?
Now every time I think of Masaomi I can't sleep
After that incident many things happened but Masaomi is still the same.

So he's completely back to normal now?
No it's not just that,
everyone try to make him get a wife,
but he...
Says for the rest of his life he won't get marry again.
So he rejected all the blind dates.

Koto are you well? I also really want be with you. hug you. but there's still work over here I also can't leave my friends alone Please wait for me!
Sazit ...
Sorry, it sounds like I'm blaming it all on you.
But because of Masaomi I have to say it.
Because of work
I'll stay in Shanghai for a while,
by the way I wish you guys luck.
I've invited the famous star Marlene Dietrich.
She'll perform right here!

Don't cry, Don't cry.... We couldn't met at the sunrise
You came with all those tears,
The high sky scraper is blocking my way
Marlene Dietrich

Don't cry,
Don't cry
I'll come back with a rose in my hand
With the rain in my face I'll kiss you
with the world spinning
I'll come back
Don't cry,
Don't cry
Inside my arms, I'll whisper to your ears with the rose lying down
Sazit, now I really miss you!
So tired.
So tired!

Khanh Aster?
Surprisingly the person who bought all of Miss Koto's dresses is Khanh (*)Aster
Char lotte
Koto
(*) Khanh : A tittle
He say he wants to meet you...
Dummy!
That's Sazit's father!
Sazit's father?

Sorry, but can you leave now
Sir, she is here.
Nervous
Nice to meet you, I'm Koto.
Sazit and him have the same face.
That really is his father.

Thank you very much father
So it's you father who bought all the dresses.
I hope you don't misunder stand.
I bought those dresses because it's an influence to the European people,
so there's no special meaning to it.
Besides I'm surprise hearing you call me father, because I've not acknowledged you yet

I believe it's also hard for Sazit.
but I gave him a British citizenship, let him go to college, and join the army
I know that the fact that I couldn't marry his mother made him hate me,
All of this happened is because of you
He joined the India independent thing and then escaped.
However he didn't stay long in his job.

Then why did you let Sazit go by himself?
No, that's not true!
Just because you want to be a famous designer you've used Sazit.
So...
That's because Sazit worries about me.
Everyone tries to kill him, you by his side will only be a burden to him!
You don't even worry about his life!
So, I hope you can leave him.

You don't want to. That's fine.
Is that Sazit's letter? Let me se it.
Yes, sir
Guys!
I never liked to asking for help,
but I'll have to use force for you to bring out Sazit's letter.
!
Please come with us to the police station.

Koto!!
What happen?
Let go of me!
Crowded
I said let go of me!
Is she really the designer?
What did she do? That's scary.
Ahh .. Miss Dictrich..... Yes you're right
But the dress that she made is good
Very beautiful

Shojo Manga Scans
She's got talent.
Sazit went to India asking for
independence and had no b
intentions
Wrong! Then what's this letter?
A feeling that's
I have a feeling
I don't know.
William Sazit Aster isn't like other soldiers.
Bad?
....

No one is going to help me
Do you under stand?
In this city
He's a son of a noble,
so we can't really do anything about him
Sazit
You have to write to your husband a letter saying "I'm in danger!"
He's giving the British government a hard time, so we need him to leave
I can't cry! I have to strong.
"Please hurry back
or else I'll die"

Sa
Sazit with out you by my side....
Sazit
Why am I being scared like this..
HEY!
Dizzy

Koto?
Sazit
Ryuichi ..
It's ok now,
Leslie came over and told me what happened,
you've been transfer to the E.R.
We had heard about the problem with you and his father
Sorry, I thought I could do this but..
Koto?

I'm very hurt.
That's sad.
You will be followed, but because of the child in your stomach you have to endure it.
What...?
The British people don't want to arrest you they just want to use you to get Sazit back.
However you have to be careful.

You didn't... know about it yet?
Huh?
Child... Who's child?
Yours and Sazit
The doctor here said you're pregnant, right doctor?
That's right, you're three weeks pregnant now

Shojo Akanbou Biyori
Inside my stomach ...
A child!?
Sazit's child?
Koto, are you ok?

Shojo Manga Scans

I'm not lonely anymore

I'll wait for Sazit to come back to me and our child.

I'm so happy!

My dear Sazit,
Are you doing well? This is the sixth letter I've sent. I've also received your letter.
I'm very happy!
You have to finish your job over there and come home safe!

There's a new record song on Dietrich Right now I really like this song. Which I've named "The 1937 Lullaby
Why did I name it the Lullaby? When you come back to Shanghai I'll tell you. I'll always miss you. Koto will always love you.
